- The city and ELS will continue this discussion during both tonight's Workshop #2 and in December at Workshop #3. The program will continue its refinement in later design phases.

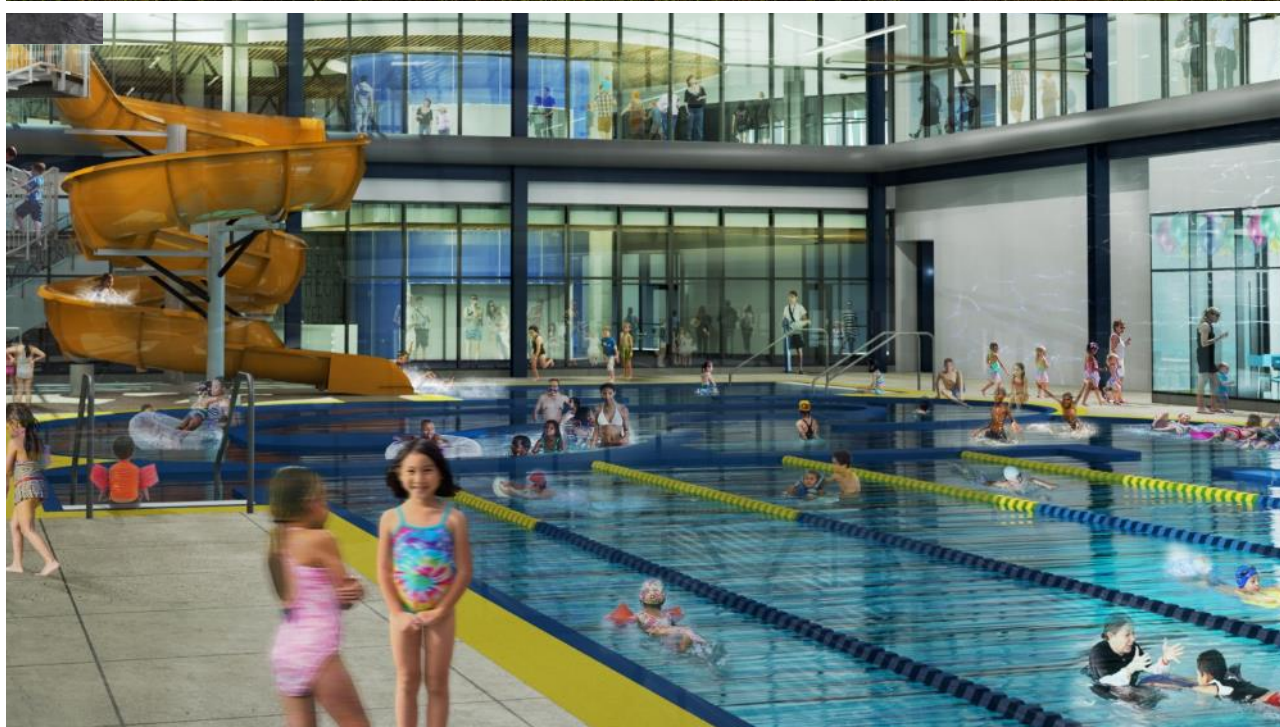

Priorities for Pool Programming/Activities

- Provide a multigenerational space that is fun for babies to seniors.
- Prioritize adding water square footage for Piedmont
- Address the needs of families and the desire for fun recreational time
- Facilitate the needs for sports team's practices and rec sports.

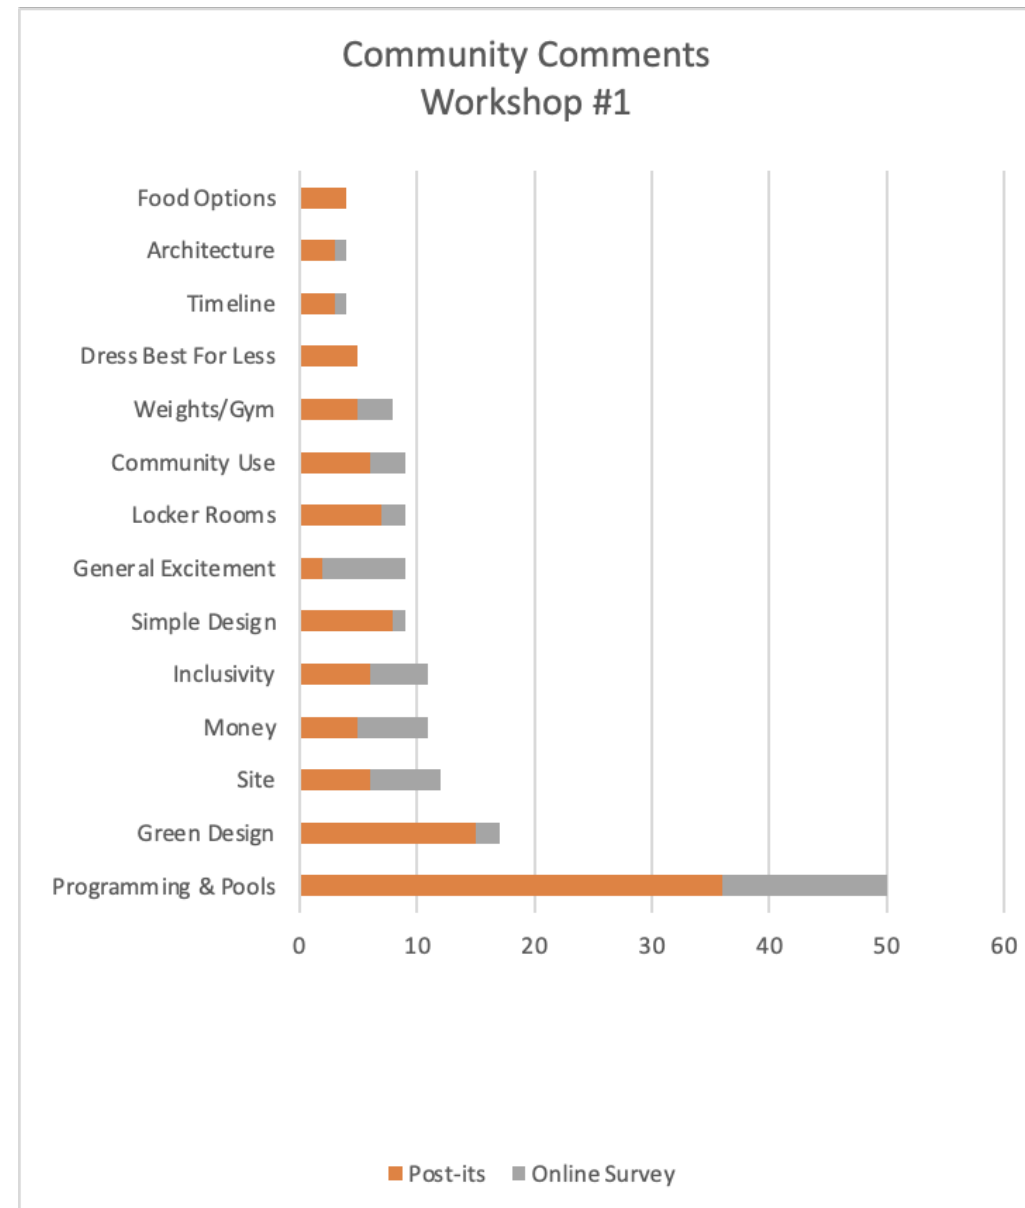

COMPETITION Club + PHS Athletics

The second largest category was green design.

Concept B

Concept C

Pros

- Entrance from civic center side and across from the high school
- Pool deck seat terraces overlook Competition Pool
- Maintains picnic and play areas
- No impact to neighbor's oak tree
- Accommodates path/stair connection to tennis
- Building has a connection to tennis

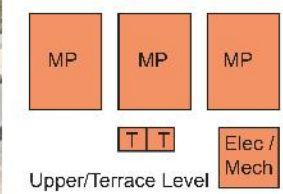

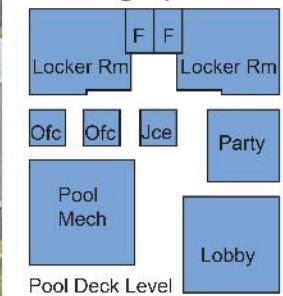

Cons

- Entrance accessibility is challenging
- Insufficient pool deck area
- Building has zero setback at entry corner
- Large street presence at entry corner
- Difficult to include all pool deck spaces on ground level of building
- Party Room does not fit at ground level
- Difficult access to pool mechanical areas
- Not integrated well with the hillside and landscape
