This one-day clinic will give neurodiverse kids the opportunity to try out basketball and have fun with peers. A modified pace, inclusive approach and adapted curriculum are designed to build confidence and most of all an enjoyable experience. Coach Andrew has years of experience as an adaptive basketball coach for the Special Olympics. His gentle and warm approach is well-received with our unique kids!

**Siblings and friends of neurotypical participants are welcome to register.**

## Three ways to register

**Online:** Visit [piedmont.ca.gov/activityguide](http://piedmont.ca.gov/activityguide). You can register use Visa, Mastercard, Discover or eCheck with your username and password.

**Walk-in:** Monday–Friday, 8:30am–5:00pm at the Recreation Department, 358 Hillside Ave.

**By phone:** Monday–Friday, 8:30am–5:00pm at 510 420-3070.

## When to register

**Online registration for Piedmont residents begins on February 27 at 6:00pm.**

**Online registration for non-Piedmont residents begins on March 5 at 6:00pm.** Registration is required for all programs and activities. You are not considered registered until you have paid all fees and have received a confirmation.

## Up-to-the-Minute Activities

Activities are sometimes added after this publication goes to print. Please visit our registration website, CommunityPass, for the most up-to-date activities.

## Photo Policy

PRD occasionally takes photos of department programs that may include enrolled participants. Photos taken during programs, events or activities may be used in future department promotional materials. If you do not want your child's photo used, please contact the Recreation Department.

## Inclusion Statement

The Piedmont Recreation Department is committed to providing inclusive and equitable programs for all, regardless of gender identity, age, race, health status, national origin, relationship status, sexual orientation, disability, ethnicity, socioeconomic status, and religion. Please contact PRD staff to determine the best fit for your child.

PRD welcomes all cis, trans, non-binary, gender non-conforming, gender queer and any male or female-identified participants. Certain programs are listed as being either for girls or boys—PRD recognizes that these terms do not fit every individual.

## Facility Preservation Fee (FPF)

For each sports program sign-up with a fee of \$50 or higher, a surcharge will be added to the program fee, to be deposited into a dedicated fund for preservation and replacement of athletic facilities or maintenance.

## Observance of Religious Holidays

PRD understands and respects the diverse religious beliefs of our participants and their families. We recognize there may be occasions when individuals are unable to attend a PRD program or class due to the observance of a religious holiday. To request a credit due to a non-attendance, please email [prd@piedmont.ca.gov](mailto:prd@piedmont.ca.gov). Request must be made in writing at least five (5) business days in advance of the first program meeting. Requests received after this deadline may not be considered.

## Withdrawals

All withdrawal requests must be submitted to PRD via email ([prdfunds@piedmont.ca.gov](mailto:prdfunds@piedmont.ca.gov)) or phone (510) 420-3070 during office hours, Monday–Friday, 8:30am–5:00pm (excluding City holidays).

### A request made:

■ **10 Business Days or More** prior to the start of the program will receive a full refund or credit to account.

■ **Within 5–10 Business Days** prior to the start of the program may receive a refund to the original form of payments, minus the convenience fee (3% for credit cards, 1% for echecks) or credit to account. For an account credit, the amount credited will also be less the convenience fee. However it will not be charged again when the credit is used for a future registration of equal or lesser value.

■ **Less than 5 Business Days** prior to the start of the program will be considered on a case by case basis and only permissible if the original program is over the minimum enrollment required. Request must be approved by the instructor and PRD Staff. If approved a refund or credit to account minus a 10% Class Withdrawal Fee.

■ **Late Withdrawal Requests** after the start of a program will not be issued unless there is an exceptional situation and it is approved by the instructor and PRD staff. A 10% Class Withdrawal Fee will be charged, the prorated amount for any classes attended, and any additional fees (if applicable: non-resident fee, Facility Preservation Fee). Instructors will need to approve the return of any material fees. Credit to account only, no refunds.

*Schoolmates and Preschool Programs have separate refund policies.*

**Cancellations** may occur if a class minimum is not reached. We reserve the right to either postpone the beginning of the program, or cancel the program and issue refunds to the original form of payment.

**Missed Classes** will not receive a refund or credit.

**Class Transfers** requests 10 business days or more prior to the start of the class are reviewed by PRD Staff and are only permissible if the original program is over the minimum enrollment. Transfer must be to a program of equal or greater cost. Transfer requests after PRD withdrawal window are not allowed unless approved by PRD staff.

**Inclement Weather or Poor Air Quality** may cause recreation activities to be canceled. If rescheduling is not an option, a credit will be issued at the end of the session.

## Help maintain our public fields in Piedmont.

*Donate to the PBF Sports Field Endowment Fund today!*

With all the challenges from the pandemic, we have been the beneficiary of our well-maintained, lovely outdoor spaces that have allowed us as a community to spend time together. Our precious public spaces are more important than ever.

The endowment will generate income to be used exclusively for the maintenance and preservation of the public fields and courts in Piedmont. Please make a donation to the PBF Sport Fields Endowment Fund at [piedmontbeautificationfoundation.org](http://piedmontbeautificationfoundation.org).

# Volunteer Opportunities

## Teen Sidekicks

If you are interested in creating lasting memories and playing an integral role in supporting the growth and overall experience for a child with neurodiverse needs check out our Teen Sidekicks program. This unique experience is unlike any other and incredibly rewarding. **More information on page 41.** Community service hours are available upon request. Sidekicks may be eligible to receive a letter of recommendation. No experience necessary.

For more information, please contact Sidekicks@piedmont.ca.gov

## Special Events

The Piedmont Recreation Department (PRD) hosts a variety of community events throughout the year. If you are interested in volunteering at any of the following events, please email prd@piedmont.ca.gov. For event information, visit the PRD Special Events page (piedmont.ca.gov/SpecialEvents). PRD events are a great opportunity for teens who need to fulfill their community service hour requirements for school and a fun way for parents to volunteer with their children

**Bunny Blast: Mar 23rd**

**Pop-Up Putt-Putt: April 21st**

## Play Like a Girl+ Piedmont:

Play Like a Girl+ Piedmont is an inspiring event aimed at empowering girls to play sports. On Sunday, May 5th, athletes ages 2–18 learn to throw, kick, spike and jump like a girl+. There will be 20+ sports organizations showcasing their sports, live demonstrations and professional and Olympic athletes on stage. This large-scale event takes up the entire Witter Field complex—it simply wouldn't be possible without the help of 40 or more volunteers. If you are available to help with the event, contact Eva (ephalen@piedmont.ca.gov).

## PRD is Hiring!

**Recreation Aides (15 years+)**

**Recreation Leaders I-III**

**Apply at [piedmont.casellehire.com/jobs](http://piedmont.casellehire.com/jobs)**

Join our PRD team for a summer of endless camp fun! We are looking for artistic, energetic and cheerful leaders to join our team of caring summer camp counselors!

**Accepting applications online from Now–March 15th!**

Contact Katrina at kmorris@piedmont.ca.gov.

## **NEW** RecWorks: VolunTEENS

**Week 2–Week 9**

**Grades 7th–10th**

**Weekly Fee: \$250 Resident/\$280 Non-resident  
Hampton Park**

Piedmont's VolunTEENS Mentorship Program (formerly CIT) blends the excitement of summer camp fun with the development of peer relationships, practical work experience, leadership training and effective communication skills.

Under the supervision of PRD staff, VolunTEENS will learn how to implement and lead art projects, games and songs, as well as how to effectively resolve conflicts and ensure child safety. Each day is jam-packed with playful vibes, child interaction, counselor task and firsthand job training at Camp Everything. The RecWorks way is a GREAT way for your teen to prepare for future employment opportunities

**See page 24 for more details.**

A group of children are gathered around a dark wooden table outdoors. They are looking intently at a small snail resting on a large green leaf. One child in the center is pointing at the snail. The background is a blurred outdoor setting with trees and a fence. The text 'PRD Summer Camps' is overlaid in yellow on the left side of the image.

Start with making a soft cozy pillow and then create your own Teddy Bear, while learning basic hand sewing stitches such as the back stitch, running stitch, whip stitch and prick stitch. Students learn basic use of needles, threads and scissors. Class will make clothes for their bears while learning about sewing terms, patterns, types of fabrics and much more! A fun time to use your imagination and magical ideas!

### WEEK 2

Mon-Fri June 10-June 14 (5\*) 3:00-5:00pm

### WEEK 6

Mon-Fri July 8-July 12 (5\*) 3:00-5:00pm

## NEW Beginner Fashion Sewing: T-Shirt & Stretch Pants

AGES 9-14 **R** \$495 **NR** \$525

In this beginner camp students will learn to sew with stretchy knit fabrics and make a T-Shirt and Stretch Pants like flares, leggings, or lounge pants. (No experience needed, intermediate welcome.) Students will learn to safely operate a sewing machine and iron, read a sewing pattern, and illustrate their designs. All materials are provided including high quality fabrics, threads, and personalized embroidery. Classes emphasize design creativity and garment construction skill building in a supportive and patient learning environment. Instructor Ms. Julia studied at the Fashion Institute of Technology in New York. Material Fee: \$95

### WEEK 1

Mon-Fri June 3-June 7 (5\*) 9:00am-12:00pm

Instructor: Julia Husch

Location: Piedmont Recreation Department

Min: 4; Max: 8

## NEW Beginner Fashion Sewing: Tote Bag & Shorts

AGES 9-17 **R** \$495 **NR** \$525

In this beginner camp, students will learn to sew and create a tote bag and shorts. A small student to instructor ratio allows students plenty of personalized guidance and access to their own machine and tool set. Students will learn to safely operate a sewing machine and iron, read a sewing pattern and illustrate their designs. All materials are provided including high quality fabrics, threads, and personalized embroidery. Classes emphasize creativity and skill building in a supportive and patient learning environment. Instructor Ms. Julia studied at the Fashion Institute of Technology in New York. No experience needed, intermediate students are welcome. Material Fee: \$95

### WEEK 1 (AGES 13-17)

Mon-Fri June 3-June 7 (5\*) 1:00-4:00pm

### WEEK 2 (AGES 9-14)

Mon-Fri June 10-June 14 (5\*) 9:00am-12:00pm

Instructor: Julia Husch

Location: Piedmont Recreation Department

Min: 4; Max: 8

## NEW Intermediate Fashion Sewing: Summer Outfit

AGES 9-16 **R** \$495 **NR** \$525

In this intermediate camp students will build their fashion sewing skills while creating a summer outfit. (Prior sewing class/camp with Ms. Julia required for registration). Students will design their custom summer outfit from sewing patterns including: a dress or romper, bucket hat, and more. All materials are provided including high quality fabrics, threads, notions and personalized embroidery. Classes emphasize design creativity and garment construction skill building in a supportive and patient learning environment. Instructor Ms. Julia studied at the Fashion Institute of Technology in New York. Material Fee: \$95

### WEEK 2

Mon-Fri June 10-June 14 (5\*) 1:00-4:00pm

Instructor: Julia Husch

Location: Piedmont Recreation Department

Min: 4; Max: 8

**Julia Husch** teaches Fashion Sewing classes across the Bay Area. She studied Fashion Design at The Fashion Institute of Technology in New York and has a decade of experience teaching youth sewing classes. Her curriculum includes thorough basics and intermediate to advanced classes where students are encouraged to express their creativity and learn industry standard garment construction techniques in a positive and patient learning environment. Julia is also a theatrical costume designer in the community.

# Music & Dance

# Music & Dance Youth-Adult

## **NEW** Electric Guitar

AGES 7-12 **R** \$300 **NR** \$330

Are you ready to rock? Electric Guitar is for first-timers and intermediate guitarists who are interested in taking their playing to the next level on an electric guitar. Students will learn and review fundamental electric guitar techniques, work on soloing, chord playing, and music reading. Students will also have the opportunity to learn the ins and outs of different types of electric guitars, pedals, effects and amplifiers. All campers will receive an electric guitar and amp to use during class and a method book that's theirs to keep.

### WEEK 4

Mon-Fri June 24-June 28 (5x) 1:00-4:00pm

### WEEK 9

Mon-Fri July 29-Aug 2 (5x) 1:00-4:00pm

Instructor: I.R. Guitar Lessons

Location: Piedmont Middle School (Week 4);

Wildwood Schoolmates Facility (Week 9)

Min: 6; Max: 10

## Start a Band, Write Songs, Play Shows, Make Records, Go on Tour with 3 O'Clock Rock!

AGES 7-15 **R** \$310 **NR** \$340

Start a Band, Write Songs, Play Shows, Make Records, Go on Tour with 3 O'Clock Rock! Learn to write your own songs, the basics on instruments like guitar, bass, keyboards, drums and vocals; perform and create album artwork for a release on 3 O'Clock Rock Records! Visit [3oclockrockrecords.bandcamp.com](http://3oclockrockrecords.bandcamp.com) to listen to our new releases. Material Fee \$15

### WEEK 3

Mon-Fri June 17-June 21 (5x) 1:00-4:00pm

Instructor: 3 O'Clock Rock

Location: Wildwood Schoolmates Facility

Min: 10; Max: 16

## Nanci's Musiktime in the Park

AGES 0-5 **R** \$80 **NR** \$92

This summer we will be exploring the beach and all the interesting creatures found in the ocean. Class participants will learn many catchy new songs, finger-plays, bounces, lullabies, movement activities, and more. I'll have my puppets on hand, as well as simple instruments. (drums, shakers, sticks, scarves, resonator bars, and my big parachute!) Spotify link with songs will be given out prior to first class.

Thurs June 6-June 27 (4x) 9:45-10:15am

Thurs June 6-June 27 (4x) 10:30-11:00am

**STEM**

## STEM + Pokémon with LEGO® Materials

AGES 5-9 **R** \$443 **NR** \$473

Prepare for a full-day LEGO® camp packed with hands-on and minds-on STEM fun! First, build projects inspired by cool machines while applying real-world concepts in physics, engineering, and architecture. Then join Ash and Pikachu to explore the vast world of Pokémon as we build and catch our favorite Pokémon, rescue Pikachu from Team Rocket, and take a ride on the S.S. Anne to uncover rare and mystic Pokémon. Come along on our journey to catch 'em all!

### WEEK 8

Mon-Fri July 22-July 26 (5×) 9:00am-4:00pm

Instructor: Play-Well TEKologies  
Location: Veterans Memorial Building  
Min: 10; Max: 16

## Animal Adventures with LEGO® Materials

AGES 5-7 **R** \$222 **NR** \$252

Let your imagination run wild with tens of thousands of LEGO® parts as we design and build leaping dolphins, buzzing beehives, and towering giraffes. Play, create and learn in a world inspired by the animal kingdom. Design and build as never before and explore your craziest ideas.

### WEEK 4

Mon-Fri June 24-June 28 (5×) 1:00-4:00pm

Instructor: Play-Well TEKologies  
Location: Veterans Memorial Building  
Min: 10; Max: 16

## Transportation Engineering using LEGO® Materials

AGES 5-7 **R** \$222 **NR** \$252

Break the sound barrier on a supersonic jet, deliver cargo by train, and explore a swamp in your airboat. Build and create different modes of transportation out of more than 20,000 pieces of LEGO®, all while learning about the engineering concepts that make vehicles and vessels work.

### WEEK 10

Mon-Fri Aug 5-Aug 9 (5×) 9:00am-12:00pm

Instructor: Play-Well TEKologies  
Location: Veterans Memorial Building  
Min: 10; Max: 16

## Bash'em Bots using LEGO® Materials

AGES 7-12 **R** \$222 **NR** \$252

Design your custom LEGO® bot to take on any challenge. Mix and match chassis designs using wheels, treads, or walking legs. Combine these with tools like drills, hammers and battering rams as you refine your masterpiece by sparring with friends and overcoming obstacles. Apply real-world engineering and physics concepts to help you bash and crash your way to victory!

### WEEK 4

Mon-Fri June 24-June 28 (5×) 9:00am-12:00pm

Instructor: Play-Well TEKologies  
Location: Veterans Memorial Building  
Min: 10; Max: 16

## **NEW** Wizarding World of Engineering using LEGO® Materials

AGES 7-12 **R** \$222 **NR** \$252

Master the magic of Harry Potter using LEGO®! Visit Diagon Alley, play a game of Quidditch, and duel the evil Lord Voldemort. Hone your magical skills while learning about advanced Muggle (STEM) concepts.

### WEEK 10

Mon-Fri Aug 5-Aug 9 (5×) 1:00-4:00pm

Instructor: Play-Well TEKologies  
Location: Veterans Memorial Building  
Min: 10; Max: 16

## **NEW** Pirate Land!

AGES 6-10 **R** \$350 **NR** \$380

Enter the land of Pirates! Build the treasure chest, sail the pirate cove, dig for gold and walk the plank! Use our custom hub (ViNee) and our curated kit of LEGO® bricks to build different robots that teach fundamental STEM concepts. Play and learn, increase creativity and stretch the limits of your imagination! Take home the kit at the end of camp. Material Fee \$50

### WEEK 1

Mon-Fri June 3-June 7 (5×) 1:00-4:00pm

Instructor: Tiny Techs Club  
Location: TBA\*  
Min: 10; Max: 18

*TBA\* Location awaiting PUSD approval*

## **NEW** LEGO® Creators Camp

AGES 6-10

This camp is for LEGO® Creators! We will be using a LEGO® Creator 3in1 box together with our own motorized hub and creating several different models that will actually move! Each team of two will get a Creator set to use along with a computer that has step-by-step instructions to build each model. Learn engineering, building and have fun! Each participant will get a LEGO Creator set to take home! Campers will also have the option to purchase our motorized hub. Material Fee \$25

**WEEK 3** **R \$265 NR \$295**

**M, T, Th, F** June 17-June 21 (4x)\* **1:00-4:00pm**

**WEEK 10** **R \$345 NR \$375**

## **NEW** AI Adventures

AGES 6-12

**R \$240 NR \$270**

This course introduces children to Artificial Intelligence, fostering creativity and curiosity. They engage with cutting-edge technologies like ChatGPT, Stable Diffusion, DALL-E and Novel.ai. Through hands-on projects, they create chatbots, animations, stories and films, developing critical thinking and collaboration skills. Activities include crafting short stories with Novel.ai, producing art with DALL-E, and designing AI-controlled chatbots. Expert instructors guide them, unveiling the limitless possibilities of AI. This course empowers children to understand AI's functionality, problem-solving potential, and its role in unleashing their imaginative expression. Laptop, chromebook, or iPad required. Rentals can be provided for a \$40 fee.

**WEEK 3**

**M, T, Th, F** June 17-June 21 (4x)\* **1:00-4:00pm**

**Instructor:** Athena Coding

**Location:** Wildwood School

**Min:** 10; **Max:** 30

## STEM Challenge + Mine-craft with LEGO® Materials

AGES 5-9

**R \$443 NR \$473**

Prepare for a full-day LEGO® camp packed with hands-on and minds-on STEM fun! First, build projects inspired by cool machines while applying real-world concepts in physics, engineering, and architecture. Then, venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest raw resources, and battle to stop the Ender Dragon from ending the world.

**WEEK 6**

**Mon-Fri** July 8-July 12 (5x) **9:00am-4:00pm**

**Instructor:** Play-Well TEKnologies

**Location:** Veterans Memorial Building

## Power up with Python Programming

AGES 10-13

**R \$595 NR \$625**

Python is like math—a universal tool that shapes our world. Programming isn't just for techies. It's for anyone with a challenge to solve or an idea to explore. Our course demystifies Python—one of the most popular languages in the world—and makes it accessible and exciting. Through creative projects and puzzles, students will learn key concepts like variables, loops, functions, and conditionals, all while seeing their code come alive in exciting ways. With a combination of hands-on coding and engaging unplugged activities, we ensure a solid foundation in programming, foster problem-solving skills, and inspire confidence to navigate the digital world. By the end of the course, students won't just understand Python—they'll be equipped with the mindset to tackle any challenge and bring their ideas to life.

**WEEK 2**

**Mon-Fri** June 10-June 14 (5x) **9:00am-3:00pm**

**Instructor:** Code For Fun

**Location:** Piedmont Middle School

**Min:** 6; **Max:** 24

## **NEW** HTML Heroes: Design Your Website

AGES 10-14

**R \$595 NR \$625**

Do your children often marvel at beautifully designed websites and wonder how they're made? This course transforms that curiosity into creative power. Students will delve into the world of web development, starting from the foundational building blocks of the web (HTML and CSS) to designing and creating their very own multi-page website. Every lesson is packed with hands-on web development projects and ample time for experimentation and free coding. Learners will not just absorb the principles of web structure, formatting, multimedia integration, and styling, but they will eventually grasp how to create interactive elements using JavaScript, a key tool in modern web development.

By the end of the course, learners won't just navigate the web, they'll be capable of creating their own unique corner in it, armed with coding skills and an enhanced sense of creativity, logic and problem-solving abilities.

**WEEK 6**

**Mon-Fri** July 8-July 12 (5x) **9:00am-3:00pm**

**Instructor:** Code For Fun

**Location:** Piedmont Recreation Department

**Min:** 6; **Max:** 24

## Junior Alchemists: Chemistry for Kids!

AGES 6-12

**R \$320 NR \$350**

Want to master the secrets of the universe? Create a volcanic eruption to rival Pompeii? Pass secret messages to your friends in invisible ink? Learn how to do these and much more! Junior Alchemists is designed to not only pique an interest in scientific inquiry, but to introduce students to a deeper understanding of its development and application. We allow them to see the basic principles of science in the world around them. The course is focused on a number of experiments; they are lots of fun, visually appealing, and can safely be reproduced at home for friends and family.

**WEEK 1**

**Mon-Fri** June 3-June 7 (5x) **9:00am-12:00pm**

**Instructor:** Athena Coding

**Location:** Zion Lutheran Church, Classroom 3

**Min:** 10; **Max:** 30

## **NEW** Game Design with MakeCode

AGES 8–12 **R** \$365 **NR** \$395

Unleash your creativity with this new course! Powered by Microsoft's cutting-edge platform, this course goes beyond traditional programming classes. Students will not only learn foundational coding concepts but will also design their very own virtual arcade games. But that's not all! They'll experience the thrill of bringing these games to life on physical gaming devices.

What sets this course apart is its emphasis on user experience. Students will learn to create intuitive, engaging games, honing their skills as thoughtful programmers who understand the importance of user interaction. This immersive experience is designed to foster both technical prowess and creative thinking, all within a fun and collaborative setting.

### WEEK 5

Mon–Wed July 1–July 3 (3×)\* 9:00am–3:00pm

Instructor: Code For Fun

Location: Piedmont Recreation Department

Min: 6; Max: 24

## Game Design & Animation with Scratch & Python

AGES 6–12 **R** \$300 **NR** \$330

Our unique project-based class is designed to allow young students to develop their creative storytelling or game designing abilities, and then gives them the opportunity to bring them to life through Scratch and Python. Students create App Store caliber games like Flappy Bird and learn professional programming practices, like how to use Binary operators, Conditional statements, Sequencing, Functions, Variables, Commenting practices, and Loops. Computer, iPad, or Chromebook required. Computer rentals can be provided for a \$40 fee.

### WEEK 7

Mon–Fri July 15–July 19 (5×) 1:00–4:00pm

Instructor: Athena Coding

Location: Piedmont Middle School

Min: 10; Max: 25

## **NEW** Programming with Minecraft

AGES 9–12 **R** \$595 **NR** \$625

This course utilizes the engaging world of Minecraft to introduce Python coding fundamentals. As students traverse through the virtual landscapes they know and love, they will learn key coding concepts like variables, data types, loops, conditionals, and functions. They will create interactive experiences, from laying a yellow brick road to building entire towns, and even hosting a virtual treasure hunt, all powered by Python. This isn't just a coding class—it's a vibrant fusion of fun and learning, where coding becomes a tool for exciting in-game innovations. By course end, your child won't just be playing Minecraft—they'll be enhancing it with their own code, nurturing their creativity, logic and problem-solving skills. This course gives your child the tools to continue transforming their virtual adventures with the power of coding.

### WEEK 4

Mon–Fri June 24–June 28 (5×) 9:00am–3:00pm

Instructor: Code For Fun

Location: Piedmont Recreation Department

Min: 6; Max: 24

## STEM Explorations with LEGO® Materials

AGES 7–12 **R** \$222 **NR** \$252

Master your engineering skills with Play-Well TEKologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects. Projects are rotated seasonally to ensure that even returning students get a new experience, so join us to design and build as never before and explore your craziest ideas.

### WEEK 2

Mon–Fri June 10–June 14 (5×) 1:00–4:00pm

Instructor: Play-Well TEKologies

Location: Wildwood School

Min: 10; Max: 16

## **NEW** Artificial Intelligence with Scratch

AGES 9–12 **R** \$623 **NR** \$653

Machine learning is rapidly reshaping our world, and it's more critical than ever for children to understand this transformative technology. Our mission is to introduce machine learning to young minds in a fun and approachable way, breaking down complex concepts into digestible lessons. Students will train their own machine learning models to recognize patterns in text, numbers, images, or sounds. They'll use those models to build their own face filters, smart devices, and chatbots. They're able to do all this in a block-based programming environment that many are familiar with.

### WEEK 1

Mon–Fri June 3–June 7 (5×) 9:00am–3:00pm

Instructor: Code For Fun

Location: Zion Lutheran Church, Classroom 2

Min: 6; Max: 24

## **NEW** Roblox Game Design

AGES 10–15 **R** \$595 **NR** \$625

This interactive course leverages the excitement of Roblox, transforming gameplay into a hands-on coding experience. Students will master essential programming concepts such as loops, rendering and inventory systems by integrating them directly into the Roblox environment. Each challenge unlocks new coding skills and deepens their understanding, fostering logic, problem-solving, and creativity. This is not your typical coding class. We use Roblox to bring coding to life, evolving the way students interact with their favorite games. By the end, students aren't just playing Roblox—they're using code to shape and enhance it. We equip learners with the skills they need to continue experimenting, creating and growing in the digital world.

### WEEK 8

Mon–Fri July 22–July 26 (5×) 9:00am–3:00pm

Instructor: Code For Fun

Location: Piedmont Recreation Department

## **NEW** Edible Art and Colors of the Rainbow

AGES 6–10 **R** \$470 **NR** \$500

Prepare for kaleidoscopic flavors and fun as we embark on a vibrant culinary adventure. We will cook, bake and create our way through a sensory spectrum of seasonal ingredients. Kids learn the skills needed to become intuitive chefs as they whip up vibrant, nutritious delights based on our color of the day. This camp fosters creativity and a love for cooking so that campers come home with the confidence to create the most delicious masterpieces. Material Fee \$50

### WEEK 2

Mon-Fri June 10–June 14 (5×) 9:00am–12:00pm

### WEEK 6

Mon-Fri July 8–July 12 (5×) 1:00–4:00pm

Mon-Fri July 29–Aug 2 (5×) 9:00am–12:00pm

Instructor: Culinary Artistas

Location: Veterans Memorial Building, Kitchen

Min: 8; Max: 12

## **NEW** Edible Science and Baking Bliss

AGES 6–10 **R** \$470 **NR** \$500

In this blissful week of camp, we will encourage playing with your food and using it as a medium for STEM learning! From baking basics to culinary chemistry, kids embark on a flavorful journey, blending science and the art of baking. Unleash creativity, whip up sweet surprises, and indulge in the joy of learning through delectable experiments. Kids will learn the science of dough making, craft nourishing baked goods, and create foody-science experiments all on their own. Savor the summer in every delicious bite! Material Fee \$50

### WEEK 4

Mon-Fri June 24–June 28 (5×) 9:00am–12:00pm

### WEEK 8

Mon-Fri July 22–July 26 (5×) 1:00–4:00pm

Instructor: Culinary Artistas

Location: Veterans Memorial Building, Kitchen

Min: 8; Max: 12

## Expedition Kitchen

AGES 10–16 **R** \$470 **NR** \$500

Chefs will learn to explore with all of their senses in the kitchen. This skills-based culinary camp will teach techniques that will bring out the best in food and flavor. We'll take a deep dive into delightful sauces and explore sweet and savory spice blends. In addition to a week of delicious culinary adventures, campers will come home with the skills and confidence to prepare balanced plant-based meals for their families and communities. Material Fee \$50

### WEEK 2

Mon-Fri June 10–June 14 (5×) 1:00–4:00pm

### WEEK 6

Mon-Fri July 8–July 12 (5×) 9:00am–12:00pm

### WEEK 9

Mon-Fri July 29–Aug 2 (5×) 1:00–4:00pm

Instructor: Path to Panacea

Location: Veterans Memorial Building, Kitchen

Min: 8; Max: 15

## Taste Travelers

AGES 10–16 **R** \$470 **NR** \$500

Get ready to explore a world of flavor and culinary delights. Prepare your taste buds for lift-off (no passport required) as we explore food through a prism of culture, time, and place.

In this camp, we will examine food traditions from around the world as we build skills and discover new herbs, spices, and ingredients along the way. Cooking cultural food builds unity, understanding, and an appreciation of differences. Leave with the confidence to create your own cultural meals and snacks. Material Fee \$50

### WEEK 3

Mon-Fri June 17–June 21 (5×) 1:00–4:00pm

### WEEK 7

Mon-Fri July 15–July 19 (5×) 9:00am–12:00pm

### WEEK 10

Mon-Fri Aug 5–Aug 9 (5×) 1:00–4:00pm

Instructor: Path to Panacea

Location: Veterans Memorial Building, Kitchen

Min: 8; Max: 15

## **NEW** Edible Adventure and Global Goodies

AGES 6–10 **R** \$470 **NR** \$500

Did you know food could transport you to far away places? Embark on a flavor filled journey to new parts of the world, broaden your palate, and discover new dishes from around the globe! We will explore all the ways in which our ingredients are universally used and enjoyed, delving into diverse traditions, herbs, spices, and ingredients. Build skills, discover global culinary secrets, and leave with the expertise to craft your own cultural meals and snacks. Get ready to savor the world on a plate, and let your taste buds be the ultimate adventurers! Material Fee \$50

### WEEK 3

Mon-Fri June 17–June 21 (5×) 9:00am–12:00pm

### WEEK 7

Mon-Fri July 15–July 19 (5×) 1:00–4:00pm

### WEEK 10

Mon-Fri Aug 5–Aug 9 (5×) 9:00am–12:00pm

Instructor: Culinary Artistas

Location: Veterans Memorial Building, Kitchen

Min: 8; Max: 12

## Culinary Creatives

AGES 10–16 **R** \$470 **NR** \$500

Dive into a vibrant culinary adventure in this creative cooking camp. Going beyond your typical cooking class, this is a week-long immersion into the culinary cosmos. Learn to cook, bake, think, and taste like a professional chef. Campers will uncover the ways in which flavors are created and learn the art of balance. Learn to make classic culinary delights and come home with the skills to create your own signature restaurant-style dishes. The grand finale? A friendly chopped style cooking competition to show off learned skills and create something truly unique! Join us for a week of epicurean exploration and culinary camaraderie. Material Fee \$50

### WEEK 4

Mon-Fri June 24–June 28 (5×) 1:00–4:00pm

### WEEK 8

Mon-Fri July 22–July 26 (5×) 9:00am–12:00pm

# Adaptive Programming

# Sidekicks: Adaptive Programs

## Because Every Super Hero Needs a Sidekick!

### Camper Resistration

The Piedmont Recreation Department (PRD) is committed to meet the needs of the community by creating safe, fun and enriching inclusive programs for school-aged kids with neurodiverse needs. PRD offers two types of summer camp experiences.

### Summer Sidekicks (1-on-1 Matching)

Summer Sidekicks integrates children into our mainstream camps. Teen Sidekicks will be paired with campers to help them build relationships and strengthen their recreational skills while having a fun camp experience. To apply for the Summer Sidekicks (1-on-1 Matching), follow these steps. This program only available for returning participants. **The application deadline to be paired with a Teen Sidekick is Sunday, March 17th.**

1. Campers choose any PRD camp during the following Summer Sidekicks weeks.

**Week 3: June 17–21**

**Week 4: June 24–28**

**Week 6: July 8–12**

2. Once registered for a camp, families must then register for the Teen Sidekick Matching Program ([shorturl.at/ksBTX](http://shorturl.at/ksBTX)). Staff will do their best to match your camper with a Teen Sidekick however, matching is not guaranteed. Families will be notified of their matching status by the week of April 22nd. If PRD is unable to pair your camper with a Teen Sidekick, you will be notified and eligible for a full refund.

At this time, Sidekicks is are unable to accommodate campers with toileting issues, medical issues requiring protocols or those who are apt to elope.

### Adaptive Camps

PRD offers six additional adaptive camps throughout the summer. With the assistance of Teen Sidekicks, Adaptive camps are designed to get kids moving, socializing and having fun with their peers! NEW! Siblings and friends of your camper are welcome to participate in all Adaptive camps (registration required). See page 40 for camps.

### Volunteer Opportunity for Teens this Summer

*Teen Sidekicks are truly committed to helping children enjoy recreational activities and working closely with students with unique needs. Sidekicks are responsible, punctual and enjoy working with children.*

*Sidekicks staff fully supports each Teen Sidekick, providing support and assistance when needed. Teen Sidekicks attend a 2-hour orientation/training to learn about neurodiverse children, their unique needs and the basic principles of behavior management.*

*If you are interested in playing an integral role in supporting the overall camp experience for a child with neurodiverse needs, please apply at [www.piedmont.ca.gov/Sidekicks](http://www.piedmont.ca.gov/Sidekicks). **Deadline to apply is March 17th.** Applicants must be at least 14 years of age by June 5, 2024 or entering 9th grade. After completing a successful interview, teens must attend the orientation/training on May 1st at 6pm and commit to volunteering at least one week of the Summer Sidekicks program.*

*Community service hours available upon request. Volunteers may be eligible to receive a letter of recommendation. Experience working with elementary-aged children is a bonus but not required.*

*Email [sidekicks@piedmont.ca.gov](mailto:sidekicks@piedmont.ca.gov) if you have questions.*

## **NEW** The Reading Rainbows

AGES 6-8 **R** \$450 **NR** \$480

Does your child share a love for creativity and literacy? Do you want them to expand their passion for learning? Then this is the camp for you! Your camp counselors, Ms. Erin (Kinder) and Ms. Natalie (1st), have made a name for themselves as educators at Crocker Highlands Elementary. Their love for learning, specifically literacy, shines bright! Known for their exuberant energies and captivating classroom activities, they find ways to keep learning engaging and flat-out fun!

Each day of camp will showcase an "Author of the Day", including Eric Carle, Jan Brett, and Ezra Jack Keats. After reading each book, the campers will discuss and take a deep dive into each one. Activities will be diverse and based on book themes using art, social skills, and fine/gross motor development to explore. Some examples of thematic teaching are painting, drawing, acting, and puppetry. We will also incorporate guided dance, movement games, and yoga for brain breaks that blend cohesively with the author we are showcasing. After an exuberant day of fun, your child will take home their camp creations and share the magic of literacy with friends and family. This camp will increase comprehension skills by engaging in higher-level thinking conversations with peers and counselors about the texts. This camp is for children 6-8 years old and familiar with letter names, sounds, and foundational literacy skills. Material Fee: \$20

**Khristan Antoine's** journey working with children began in her early teens. At the age of 11 she dedicated her time to volunteering at various summer camps as a youth mentor across the Bay Area. During high school, Ms. Khris continued her passion by working as a youth mentor in an afterschool program, offering assistance with homework, fostering friendships, and organizing outdoor games.

Khristan finds joy in establishing positive connections with all the children and students she encounters. A true creative spirit, she is passionate about crafting and creating. She delights in introducing innovative projects to her students, making crafting sessions with her a unique and judgment-free experience.

## Triple Threat Academy: Total Skills Basketball Camps

AGES 6–12 **R** \$400 **NR** \$430 **FPF**

Our signature camp teaches students of all skill levels how to dribble, pass, and shoot. Just like the name suggests, we cover everything here—and your kids will have so much fun, they won't even realize they are learning! You'll enjoy hearing stories of incredible moves and awesome plays on the ride home as your student develops confidence, a love of basketball and a team mentality.

### WEEK 2

Mon–Thur June 10–June 13 (4×) 9:00am–3:00pm

### WEEK 8

## Triple Threat Academy: Dribbling & Shooting Basketball Camp

AGES 6–12 **R** \$400 **NR** \$430 **FPF**

As the old saying goes, “You have to learn to walk before you run.” This camp helps players get the basics of dribbling and shooting down before learning the fancy flyer moves of scoring. Ball protection, footwork and shooting technique are all hallmarks of the greats—and explaining that should help players realize they can't afford to miss this very important step in their skill development. Warning: This camp is so fun, you may find your kids “doing drills and building skills” with their friends in the driveway at home.

### WEEK 3

## Triple Threat Academy: Super Handles Basketball Camp

AGES 6–12 **R** \$400 **NR** \$430 **FPF**

Players will learn to see the floor like Magic and handle the rock like Steph in this 4-day camp! Settling into a level of comfort and ease of movement, players will fine tune their ability to score by handling the ball well with either hand. Stationary dribbling, dribbling on the move, attack moves, two-ball dribbling and all around technique and control of the ball will be emphasized. Putting all this together, your child will be an offensive threat on the court.

## Mindfulness Meditation

ADULT FREE

Meditation provides a sense of calm, peace and balance that benefits both emotional well-being and overall health. If stress has you anxious, tense, and worried, consider trying meditation. Spending a few minutes meditating restores calm and inner peace. Anyone can meditate. It's simple, inexpensive and doesn't require any special equipment. Meditation is to your mind what exercise is to your body, building four mental "muscles": concentration, clarity, friendliness and equanimity.

This course introduces five kinds of meditation in a safe and supportive environment, so each participant can become comfortable meditating at home.

This class is designed for both beginner with no experience meditating as well as experienced meditators who want to refresh on the basics of breath, posture, calming and insight techniques. Must register in advance.

## Pickin' with Rick

ADULTS FREE

Who knew? Rick Schiller plays fingerstyle guitar! Rick would like to share his relaxing style with you and discuss the music along the way in his naturally witty, sardonic and entertaining manner.

Rick played guitar professionally for years though his dream of becoming the next Guitar God didn't exactly pan out. After a long hiatus away from the instrument, Rick started to play again and developed a solo fingerpickin' style. You are invited to join Rick for an evening of music and appreciation...and heck, its free! Please feel free to BYOB (alcohol ok!) and snacks to enjoy while you listen. 2nd Tuesdays of the month.

AGES 50+ FREE

This free class is designed for Veterans and their family members. When pole walking, you feel taller and more confident! Learn how optimal use of poles engages your whole body and significantly improves performance, reduces fall risk, improves posture, balance, upper body strength AND your enjoyment of the outdoors.

Uphill pole techniques improve endurance and pace; downhill techniques help preserve your knees, hips and spine! You will learn anatomically optimal pole techniques. Practice pole techniques along lovely Piedmont paths. A variety of top-quality poles provided; discover which poles fit you best. Easy, relaxed pace. Class size limited to ensure individual attention.

Friday July 19 (1x) 8:30am-12:30pm

Instructor: Jayah Faye Paley

Location: Community Hall, Amphitheater

Min: 8; Max: 15
